

# C155 Norton BRIDGE OPENING

**N**orton road over rail bridge commenced in March 2019 and was completed in November 2019. The official opening of the project was done by His Excellence CDE E.D Mnangagwa on the 5th of December 2019. The official opening was attended by senior government officials, ministers, Bitumen World employees and general populace of Mashonaland West constituency. It was a memorable event as Bitumen World showcased their ability to deliver projects in excellence. Banners were installed and flying along the road crossing to the other side of the bridge, "It was all blue". When the President arrived with his delegation, our Managing Director Mr. A. Zietsman was invited to the VVIP table. During the speech, the President requested Mr.

A. Zietsman to join him at podium where he introduced him to the public. He reiterated that Bitumen World produces results and commit themselves to save the nation by completing the project in time. The President thanked Bitumen World for their dedication and commitment in service delivery. He told the gathering that it was not his first time to officiate Bitumen World work as he officially opened another project in Manicaland done by Bitumen World. Bitumen World employees present felt very honoured to be part of the organization which is producing "RESULTS" expected. My appreciation also goes to our new cameraman "Chad" without accreditation, joined the news team taking pictures to share with Bitumen World family.
